Intro

# All About FILM and CINEMA, for YOU.

A unique opportunity for film enthusiasts to explore the world of French cinema. The program "[Cinematic Journeys](#)" is designed to provide an immersive experience in the French film industry, with a focus on training participants to become professionals in film, audiovisual, sound, and animation.

The program is based in [Paris, France](#), the cultural capital of Europe, and offers a unique opportunity to explore the city's rich history and culture. Participants will have the opportunity to attend lectures and workshops with experts from ESRA, a renowned institution of higher education that has been training professionals in the film industry since 1972.

In addition to the Paris experience, the program also includes a visit to the ESRA campus in [Nice, France](#), where participants will have the opportunity to further expand their knowledge and skills in the film industry.

Moreover, the program offers a once-in-a-lifetime opportunity to participate in [the Cannes Film Festival](#), one of the most prestigious film festivals in the world. Participants will have the chance to attend screenings, meet industry professionals, and experience the glamour of the festival first-hand.

Overall, the 14 days French Film Experience program offers an excellent opportunity for participants to gain valuable experience and knowledge in the film industry, while also experiencing the rich culture and history of Paris and Nice, as well as the excitement of the Cannes Film Festival.

[Join us for this exciting journey and expand your horizons in the world of film!](#)
